BUSINESS WALK 2025

Taking the pulse of the Mission Business Community

JUNE 16 - 20

WHAT IS BUSINESS WALK?

Business Walk is an annual survey of Mission's business community. The Mission Chamber team and volunteers visit local businesses to understand your unique challenges and successes.

The data is tabulated into a single report which is presented to city council members and community partners to identify ways to best support local businesses.

Business Walk: Volunteers from community partner organizations canvas all business areas of Mission, collecting survey responses and inviting them to the Roundtable Forum. An online survey will also be shared to capture home-based businesses and those we can't reach during the week.

Roundtable Forum: Two weeks after the walk, we invite Mission's Mayor & Council to a Roundtable Forum to discuss more in depth questions submitted by Business Walk participants. Business owners will be able to raise questions and concerns in person, discuss solutions, and network.

Listening with Purpose. Harnessing Insights. Empowering Businesses.
Let your Feedback Fuel Innovation!
